MILAN

from 26th to 29th October  
2022

The most important global event on inclusive tourism is back in Europe for the second time in 38 years: the **Lgbtq Convention**, to be held in Milan from 26 to 28 October, promoted by Aitgl (**Italian Tourism Organization Lgbtq +**) in collaboration with Enit (**National Tourist Board**), Municipality of Milano, US Consulate and European Travel Commission.

The IGLTA convention promotes destinations, structures and brands that are activated in inclusive practices and communication.

In younger groups it also reaches 15% of people who define themselves as LGBTQ +, therefore potentially between **3 and 6 million travelers**.
